研習收穫	<ol style="list-style-type: none"> 1. Problem-based Learning <ol style="list-style-type: none"> (1) Student-centered Learning (2) Done in Small Student Groups of 6-10 people. (3) Facilitators or tutors guide the students rather than teach. (4) A problem is the organized focus to stimulate learning. (5) The problem is a vehicle for the development of problem solving skills. (6) New knowledge is obtained through Self-Directed Learning(SDL). 2. Project-based Learning <ol style="list-style-type: none"> (1) Too much attention is paid to grammatical trivialities as one learns English. (2) English is better acquired in an immersive environment. (3) PBL encourages students to learn independently. (4) A teacher in PBL is to offer professional advice when students are in need. He sometimes coaches students. However, he does not necessarily teach with lectures. 3. Storybird 繪本線上創作 <ol style="list-style-type: none"> (1) 老師可用此網站進行班級經營(點名/加扣分/繳交作業) (2) 學生可利用此網站裡的免費圖檔進行線上繪本內文創作。 		
建議學校 辦理事項	學校可提供電腦教室或有相關硬體設備的特殊教室讓學生在製作繪本前，先透過線上編輯繪本的方式來練習寫作。		

說明：一、請於返校一週內完成本記錄，電子檔寄各領域召集人處。
